FIFTH Annual IEC of Southern Arizona Electrical Industry Golf Tournament

2011 Golf Registration

Thank You to Our SPONSORS

The **Fifth** annual **IEC of Southern Arizona Electrical Industry Golf Tournament** presented by **Federated Insurance** will be held on **September 9, 2011** at **Forty-Niner Country Club**.

A William Francis Bell-designed classic, **Forty-Niner Country Club** is a traditional layout with gently rolling terrain and fairways lined with mesquite, giant cottonwood, eucalyptus and weeping willow trees. Nestled between the Catalina and Rincon Mountains, the course meanders along a wooded riverbed with fairways lined by these mature trees and native desert shrubbery. The golf course provides a visually inviting layout while providing a solid challenge for all players. Recent course renovations have only improved an already outstanding experience.

Set up your foursome or pairings and enjoy the camaraderie of a great day of fun with friends. And don't forget, the proceeds go to the **IEC of Southern Arizona**, sponsors of the **IEC Apprenticeship and Training Program!**
